YOUNG EXPLORERS PROGRAMS: GRADES 4TH AND 5TH

YE OUTDOOR PHOTOGRAPHY Grade 4-5

Fee: \$10.00

Participants will be introduced to the basics of outdoor photography, and then we will head out and start taking pictures! Working in teams we will try using the skills we have learned and at the end of the evening we will create a slideshow to be shared with family when they come to pick up the students. Come take some pictures and see how much fun photography can be!

YE: TRAIL CAMERA ANIMAL STUDY

Fee: \$10

Trail cameras continue to be a popular tool for viewing wildlife. This technology is used by hunters to identify specific game animals and understand their movement. Did you know that trail cameras are also used in wildlife research to study activity and animal behavior? In this program we will place various bait stations in front of our trail cameras and see what we capture and can learn about animals such as deer, coyote, fox, and other local animals. So, let's go out and catch those critters on the camera.
